# IDERI move

Migration from DSM to Matrix42/Empirum made easy

## Description

# Migration from DSM to Matrix42 made easy.

IDERIMOVE

A migration comes along with a lot of effort. Moving a multi-application environment that has grown over the years to a different system is not an easy task... until now! Just take your DSM packages with you and continue using them in Matrix42/Empirum.

**Notice: The price indicated is per package.**

## Find out how we can make it easy:

- Easy export of packages
- No repackaging of old packages
- Use your DSM packages in Matrix42
- No need for double packaging while migrating

## Your benefits:

- Continue to use existing know how
- Relief for your employees
- Higher ROI by automating workflows while migrating
- More time to focus on the essentials
